**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value Davis Community Network and Omsoft as a provider of broadband. I do not want to see it pushed aside and squashed by a preference for the big players.

Please continue to allow the sharing of PSTN lines with local and regional ISPs.

We need the little guys along with the big guys! Please do not change the regulations.
